

Sad but true ...

the KaffeeKüche won't be around much longer cause:

WE'RE CLOSING =(

Not because we want to, but since we have to.

The landlords have different plans than we do,

which means that SUMMER 2019 will be the end of it.

So don't be surprised if the menu gradually gets smaller,

if we don't have everything anymore -

these are the first premonitions of a world without KaKü.

We try to enjoy the time left with you and the shop as much as we can.

We wish you and us great last weeks together!

THANK YOU for wonderful years, experiences, moments and memories!

Lots of love, Krissi & Natalie - and everybody from the KaKü-Team
